We dedicate to provide outstanding recreational and leisure facilities for kids, adults, elderly people and the community as a whole.

We develop and produce RASPlay children adventure castle and playground safety tile to inspire children fostering their cognitive, physical and social development through quality play in safe environment. We offer playground that is kids-oriented and flexible to meet your requirements.

We develop and produce RASComfort park furniture for site amenity and better living environment. Our contemporary designs of benches, litter bins, tables & chairs, pergolas, and shelters favour the evolution of innovative projects.

At RAS, our core values are long term relationship, commitment, innovation and integrity that make us your better choice!
